Micah 6:8

Dear Parents and Carers,

Cheddar Gorge Year 3 trip - Wednesday 17th September

As part of their enquiry 'What is the difference between the Stone Age and the Iron Age?' Year 3 are organising an exciting trip to Cheddar Gorge. The trip will give the children the opportunity to investigate the different aspects of Stone Age life including a prehistoric workshop. As well as that we will be learning about different types of rocks and how the caves were formed to assist their scientific understanding.

The coaches will leave by 9am and return to school by 3pm (traffic permitting). We will be spending the whole day at the venue so all children will need to bring a packed lunch and a water bottle. No fizzy drinks or glass bottles please. If your child is in receipt of free school meals and you would like the cook to prepare a packed lunch, please let the office know.

School uniform should be worn as usual however, as we are going to be in a cave, suitable footwear is required. Shoes must be fully covered with good grip. Children in unsuitable footwear unfortunately will not be allowed in the cave due to health and safety. Due to the time of the year a coat will also be required. Spending money is not required on this trip.

The breakdown of cost is £10.00 for the cave entrance and educational workshops and £8.00 for the coach travel. This is a voluntary contribution available to pay through Arbor, the deadline for payment to be made is **Monday 15th September**, please note however that if enough contributions are not made it will be necessary to cancel the trip in line with the Charges and Remissions Policy.

Kind regards,

J Wittcomb
