Year 5, Explorer Dome Visit – Friday 1st May

Dear Parents and Carers,

As part of our enquiry unit 'What makes Earth, Earth?' We have been learning all about our Solar System and the way that our Earth moves within that system. We are very lucky to have Explorer Dome visiting us to give us an in depth talk about space, our Solar System and our planet.

The dome will be arriving at school at around 8am and the first session will start at 9am with each class having their very own workshop. School uniform should be worn as usual.

The cost for the workshops will be £4.85 per child. This is a voluntary contribution available to pay through Arbor. If your child is in receipt of free school meals, the cost of the trip is a reduced amount of £2.43. Please note however that if enough contributions are not made it may be necessary to cancel the visit in line with the trusts Charges and Remissions Policy.

Please pay for this visit using Arbor, our online system, by Thursday 26th March 2026.

If you are available to help or have any further questions, please contact your child's class teacher.

Kind regards,

Mr Monks

Miss Keeble
