

ST. STEPHEN'S CHURCH OF ENGLAND JUNIOR SCHOOL

Headteacher: Louisa Wilson
South Gloucestershire Council

...a positive, supportive learning community.

Dear Parents and Carers,

We hope you had an enjoyable and restful Christmas and New Year. We are writing to welcome you back to Year 6 and to give you some information about Term 3. We are very much looking forward to working with you and your child in what is sure to be a busy and exciting term!

HOMEWORK

Children will be expected to read a minimum of 3 separate times a week. Please refer to the guidance in their reading records as to how they should be recording this.

A list of spellings that the children have practised throughout the week will be given on a Thursday. Children will need to show evidence of practice in their spelling jotters. These spellings will be tested on a Friday.

PE LESSONS

This term, PE lessons will be on Tuesday (outdoor) and Thursday (indoor). All children will be expected to take part in PE lessons – wearing the correct kit - unless we have received a letter.

ADULT HELPERS

We always welcome volunteers to come in and read with children in the afternoons and we are sure to call on you for help with trips and other activities! Your continued support is much appreciated.

INHALERS

If your child requires an inhaler, or any other medical treatment, please ensure that we have it to keep in school.

Kind regards,

Team 6
