## A note from the Chair:

What a jam packed term we've had!

A brilliant night was had by all at our Fireworks night. It's been great to hear your feedback and will plan to hold this event again next year. We raised £215.50 profit on the night!

Next up we had our Christmas Fayre, Christmas Up The Wood, a joint event with the Friends of St Stephen's Infant school. Thank you to all of you who came along. We hope you all enjoyed the games, craft, shopping and were lucky enough to see Father Christmas. We were blown away once again by your generosity and raised a massive £2064.92 which will be divided between the two charities. A BIG thank you also goes out to our sponsors MFey Carpets, a regular supporter of our events, Court Construction and Lionel Saunders. With their kind donations we were able to keep the prices down for you to be able to enjoy a low cost family fun evening.

Then to our Christmas wrap. The children enjoyed choosing their gifts for loved ones to open on Christmas day. We hope there's been no peeking!! We raised £257.77.

This term we were delighted to fund the panto performance by the Bristol Old Vic 'The Elf and the Shoemaker'. We were also very happy to gift every child with a bit of extra fun at their Christmas lunch pulling crackers with their friends.

Thank you to our school community, parents, carers and school staff for your support. Wishing you all a very Merry Christmas.

## Looking ahead:

We have a committee vacancy for a secretary available. Please get in touch for more information on how to join us.

In the summer the PTA bought some play shelters to be used in the secret garden. We're needing to put these together and would appreciate help. If you can spare some time, please get in touch via our email address.

We're always looking to get more of our school community involved! If you would like to know how to help us out at any of our events then please get in touch. We can add you to our friendly WhatsApp group to be the first to know about all things PTA.
