

Find the Fraction

I can find $\frac{1}{2}$, $\frac{1}{4}$, $\frac{1}{3}$ or $\frac{3}{4}$ of an amount or shape.

Colour $\frac{1}{4}$ of each of these shapes red and colour $\frac{3}{4}$ green.

Solve these puzzles:

I have 8p. I spend $\frac{1}{4}$ of it. How much do I spend?

..... p

How much do I have left?

..... p

I collect 10 eggs from the hens. I break $\frac{1}{2}$ of them when I trip up.

How many eggs do I break?

..... eggs

How many eggs are not broken?

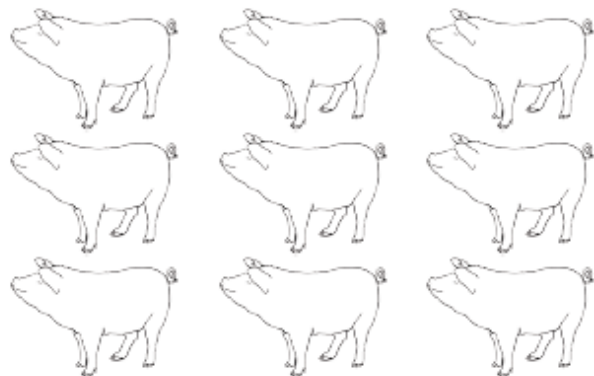

..... eggs

Colour $\frac{1}{4}$ yellow and $\frac{3}{4}$ red.

Colour $\frac{1}{3}$

Colour $\frac{1}{4}$
